

Heatmap visualization showing the relationship (color scale from 0 to 1) between various aircraft models (rows and columns). The models listed are B-52, B2, ET, F-16, FA-18, H-6, IL-78M, J-10, KC-10, KC-135, KC-46, MQ-25, S-27, T-160, T-95, and YY-20. The diagonal elements are all 1.0 (dark blue). The strongest off-diagonal relationships are between B2 and ET (approx. 0.8) and F-16 and FA-18 (approx. 0.7).
